

License Agreement

I. Fee Technology, Inc. End-User Software License Agreement: Please read this End User License Agreement (\Agreement) carefully. By accepting the agreement and/or using the software, you are agreeing to be bound by the terms of this Agreement. If you do not agree to the terms of this Agreement, then Fee Technology, Inc. (\Fee Technology) does not license the Software to you, and you should not use the Software. By installing, downloading, copying, or otherwise using the Software, you acknowledge that you have read these terms and conditions, understand them, and agree to be bound by them. If you do not agree to these terms and conditions, you are not authorized and may not use the Software.

The Software referenced herein is Fee Technology's program, "Profit Solver". This Agreement also applies to but is not limited to, all future updates and modifications to the Fee Technology program, all executables, all documentation, and logos, trademarks, services marks and trade names. The Software is copyrighted and owned by Fee Technology, Inc. The Software is licensed to you for use only under the terms set forth in this Agreement. Fee Technology, Inc. reserves any right not expressly granted in this Agreement. You own or may own the media on which the Software is stored, but Fee Technology, Inc. retains title to the Software. By installing the Software you assume sole responsibility for the installation, use and results obtained from use of the Software.

1. License

This Agreement is only a license to use the Software.

It is not a transfer of title to the Software. Fee Technology, Inc.

grants you a limited, non-exclusive license to do only the following:

a. Download, install, and register the Software on one computer for your personal or business use.

b. Make copies of the Software in machine-readable form solely for backup or archival purposes for the computer on which the Software is installed. The Software is copyrighted and protected by law and international treaty.

c. Use the software on an "Organizational Entity" basis, depending upon the license purchased, as follows:

i. "Single Organizational Entity" (/SOE/): the licensee is granted the use of the software for the input, output, analysis, interpretation and other manipulation of data for one, specific, individually defined organizational entity. The data so used must be internal to the SOE and licensing as an SOE specifically prohibits the licensee from using the software for multiple organizational entities, regardless of affiliation or ownership.

ii. "Multiple Organizational Entity" (/MOE/): the licensee is granted the use of the software for the input, output, analysis, interpretation and other manipulation of data for the number of specific, individually defined organizational entities identified on Fee Technology's invoice to the licensee for the software. The organizational entities so identified must be commonly owned and/or affiliated. The data so used must be internal to each of the organizational entities or to the MOE and licensing as an MOE specifically prohibits the licensee from using the software for any

organizational entity which is itself comprised of more than one single organizational entity, regardless of affiliation or ownership.

iii. "Service Provider" (/SP/): the licensee is granted the use of the software for the input, output, analysis, interpretation and other manipulation of data for the number of specific, individually defined organizational entities identified on Fee Technology's invoice to the licensee for the software. The data so used must be internal to each of the organizational entities and licensing as an MOE specifically prohibits the licensee from using the software for any organizational entity which is itself comprised of more than one single organizational entities, regardless of affiliation or ownership.

2. Restrictions

The license granted under this Agreement prohibits you from doing any of the following:

- a. Transferring the Software and rights under this License to another party;
- b. Sublicensing, assigning, or distributing copies of the Software to others.
- c. Decompiling, reverse engineering, disassembling, or otherwise reducing the Software to a human readable form.
- d. Decompiling, reverse engineering, disassembling, or otherwise manipulating the software or the program to gain access to the cryptographic proprietary algorithms of the Software, such as the authenticated host connections, the digital signatures, authenticated downloads, authenticated uploads, and hostile host detection.
- e. Modifying, copying, reproducing, adapting, translating, renting, leasing, loaning, selling, distributing, or otherwise assigning or creating derivative works based upon the Software or any part thereof, except as expressly provided in this Agreement.
- f. Using the Software for any commercial purpose or public display or performance not expressly granted herein.
- g. Removing any copyright notice, trademark, or proprietary legend included in the Software.
- h. Violating any applicable laws or regulations, including any patent, trademark, trade secret, copyright, or other proprietary rights of a third party.

3. Protection and Security

You agree to use your best efforts and to take all reasonable steps to safeguard the Software to ensure that no unauthorized person(s) shall have access thereto and that no unauthorized copy, publication, disclosure or distribution in whole or in part, in any form, shall be made. You acknowledge that the Software contains valuable confidential information and trade secrets and that unauthorized use and/or copying are harmful to Fee Technology, Inc.

4. Termination

The license granted under this Agreement is effective until terminated. However, this license will terminate immediately without notice from Fee Technology, Inc. if you fail to comply with any of the provisions of this Agreement. Upon termination

you must destroy the Software and all copies thereof, and you may terminate this License at any time by doing so.

5. Disclaimer of Warranties

This Software is provided by Fee Technology, Inc. \As Is\ Fee Technology, Inc. makes no representations or warranties of any kind.
